

# Terms and Conditions

Please carefully read our terms and conditions set forth below and [contact us](#) if you have any questions.

By booking an appointment with me you agree to our terms & conditions which are included in your confirmation email.

## BOOKING

Your appointment is secured with a valid credit or debit card, for certain treatments you will be required to pay a non-refundable booking fee when reserving your appointment, which will be credited towards your treatment. Cancellations within 48 hours and no shows will incur additional charges. If found unsuitable for treatment this is fully refundable. Please read on for further details.

## REMINDERS

A confirmation email will be sent to you upon booking. I will also send you an automated reminder of your appointment details by email and SMS prior to your appointment. These will be sent automatically – but may fall into junk folders, or not be delivered to servers, so please do not rely on these as a sole reminder of your appointment. Should you have a preference in how I contact you please let me know.

## CANCELLATIONS

I respectfully ask you to adhere to my 48hr cancellation policy, which you will be advised of both verbally & by email when booking your appointment.

As courtesy to other clients, I ask that you inform me at least 48 hours in advance of your booking by telephone or email if you need to cancel or reschedule an appointment. I am a small business, and lost appointments can greatly affect my ability to earn an income. This notice period enables me to offer your treatment time to another customer, and avoids unnecessary operational costs helping me to keep my prices affordable.

Since I may turn away other clients to hold your reservation, any cancellations or reschedules with less than 48 hours notice will result in 50% of the treatment cost being charged automatically to your credit or debit card. Cancellations or reschedules with less than 24 hours notice, and non arrivals “no shows” will result in 100% of the treatment cost being charged to your credit or debit card.

The cancellation policy applies should you wish to change the treatments you have booked for shorter ones, as time will have been allocated to you for the treatment.

Very rarely, I may have to move or cancel an appointment. Should this occur I will endeavour to give you as much notice as possible, as I personally carry out all treatments, I will be unable to offer a replacement therapist should this occur.

There are no exceptions to these policies.

## COVID-19 POLICY

If you have to reschedule due to suspected covid symptoms, or have been asked to self isolate, your appointment can be rescheduled without forfeit, or your booking fee refunded as usual within 48hrs prior.

Should you have symptoms or be required to isolate within a shorter time frame, there will also be no forfeit of booking fee, as long as you are able to produce your testing registration details, or isolation requirements – which will be sent to you by the relevant authorities.

No shows will be treated as per the normal terms and conditions. This ensures that those genuinely affected are treated fairly, without last minute cancellations affecting our business.

## LATE & EARLY ARRIVALS

I operate on an appointment only basis, you do not need to arrive early for your appointment, I may still be with a previous client. I do not have a waiting room in some clinics.

Should you arrive more than 15 minutes late for your appointment, I may not be able to treat you, but your treatment may still be chargeable. I will make every effort to accommodate your treatment if possible, in this circumstance treatment is at my discretion. If I am unable to treat you, the “no show” cancellation policy may apply.
